

Respite Service

A Break for everyone!

Improve lives. Make a difference. All in a days' work.

Support people with learning disabilities in our Respite service.

- Do you have a full driving license?
- Do you have experience of liaising effectively with a wide range of people?
- Do you have good written and verbal communication skills?
- Do you have excellent interpersonal skills and the ability to negotiate both with services users and families?
- Are you able to participate on holidays, day trips and activities away from home and posses high levels of energy and enthusiasm?
- Are you interested in working mostly evenings and weekends?

Our service allows carers to have a break and continue with their role and our guests the opportunity to experience new things!

If you are a Support Worker who would like more information about our Respite service call Annette Edwards on 02920 236216 or email annettee@oht.org.uk

OR if you are a Personal Assistant who would like the opportunity to apply for a support worker role contact Jill Stephenson (HR) to request an application form on 02920 236216.

Competitive terms and conditions and full training provided.

Find out how your experience and life skills can really make a **difference!**
